PROFESSIONAL EXPERIENCE

Staff Reporter

Decrypt Media

London

2024 - 2026

- Led the publication's culture reporting through original news pieces, features, and profiles
- Ranked as one of Decrypt's most-read authors, with more than 2 million yearly page views
- Produced an average of three articles per day while maintaining clarity and accuracy
- Obtained exclusive scoops by cultivating long-term relationships with industry sources
- Named twice in the Association of Cryptocurrency Journalists and Researchers' best journalism newsletter
- Hosted, filmed, and managed the publication's flagship podcast, with three episodes ranking amongst the publication's most viewed of all time
- Represented Decrypt at industry conferences, panel discussions, and live events

Freelance Journalist

Various Publications

Remote

2021 - 2024

- Published in Fortune, Business Insider, VICE, Mashable, The Daily Beast, The Verge, and more
- Reported on a wide range of topics from AI and cryptocurrency to real estate and insurance
- Named in VICE's top 15 dating stories of 2023
- Garnered over 4 million page views on an article for Business Insider
- Wrote a cover feature for music magazine DMY
- Consistently delivered clean copy requiring minimal editorial revisions

Social Media Manager

PepperStorm Media

Remote
