

Ryan S. Gladwin

Technology & Culture Journalist

London | ryan.s.gladwin@gmail.com | +44 7775928039

[Portfolio](#) | [LinkedIn](#)

Technology and culture journalist with five years of experience, published in *VICE*, *Business Insider*, and *Fortune*. Crafted a meme coin culture beat at Decrypt, breaking exclusive stories that shaped conversation and garnered over 2 million annual page views. Took an intentional career break to travel across South America, which broadened my perspective on global economic, political, and social issues. I am now returning with renewed career focus.

PROFESSIONAL EXPERIENCE

Staff Reporter

Decrypt Media

Remote

2024 - 2026

- Led the publication's meme coin and culture beat through original news pieces, features, and profiles
- Produced an average of three articles per day while maintaining clarity and accuracy
